

Week # 4 Guide

Course: beginners 1

Week #: 4

General information about the course

Dear Student, welcome back to another weekly lesson of your English Class Beginners 1

Lesson # 4

GENERAL INSTRUCTIONS:

- Welcome back to week 1.
- Read each activity and follow instructions carefully, if any question please write a message by Facebook messenger.
- I recommend for you to have this Weekly Guide handy, if necessary, print it, so you can check what you did and what you are pending.
- Keep in mind the due date of your assignments. I advise you to send the things before the due date to avoid any complication with your grade.
- All your tasks must be uploaded to Google Classroom on time.
- Activities are not rescheduled.

Lesson's Objectives:

You will use the vocabulary and grammar of this unit to:

- talk about the past and past events.
- Read a text about technology through the ages.
- Watch and listen to people talking about past inventions.
- Practice about things they did in the past.

Activities:

- Unit 8 – 0 to 4 points

To be completed online.

- Sentences in past tense – 0 to 6 points

Instructions for Writing Simple Past Tense Sentences

Verbs:

List all the verbs from page 119 in simple past tense.

Sentences:

For each verb, write one affirmative and one negative sentence in simple past tense, highlighting the verb.

Format:

Affirmative: Subject + past tense verb + complement.

Negative: Subject + did not + base form of verb + complement.

Presentation:

Number each sentence according to the verb.

Submit the work as instructed by the professor.
